Because Easter is early next year - March 28 - we have arranged to pre-cool our Crofts this year. Pot them on arrival which will be about November 10 to 20 - then place under bench till Xmas flowers are out of the way - put up on bench and run greenhouses at sixty degrees min. They should be just right for Easter sales.

You might also add a case or two for cut work in April, May, June, etc. May blooms can be had from planting about January 1 which we can ship from cold storage. Place order now.

WE CAN SUPPLY ALL YOUR REQUIREMENTS IN BULBS.
